MOTIVATION

Please indicate why you wish to participate in the Erasmus for Young Entrepreneurs programme and state your expectations :	I started my own architecture office almost five years ago. Fortunately, QUILDING currently is a succesfull local business so I feel that it is time to grow. I would like to introduce new ideas and open my business to new markets, in addition, I plan to establish my company in Germany, Italy and other countries inside Europe.
Experience in running a business (number of years) :	15
Previous working experience (number of months) :	0

Specific skills required for the NE : Positive attitude. Desire of learning. Young architect or building engineer. Holistic architecture and construction vision (technical, economical, artistic and ecological are required). Language skills: At least good level of English and interest in Spanish. Computer skills: AutoCAD, Allplan, CypeCAD, design software, office will be positively considered.

Additional important information about the offer : I look for a young candidate who desires to feed the future and gain new opportunities. I offer a collaboration in our office. We can show how architecture and construction field works: deal with clients, design and constructive concept, economical overview and budgets. We can help candidate get some first activity. Actually, I search for a foreigner partner who are able to help us establish our firm in Germany and other countries in Europe.
