MOTIVATION

Please indicate why you wish to participate in the Erasmus for Young Entrepreneurs programme and state your expectations :	I would like to participate in the program in order to receive more experience and information about the way of making business from a person with a different culture and to transfer my knowledge to someone, who just start up. Every country has its own specific business environment, which is essential and foreigners do not know it. That makes the business activities a challenge for everybody. Meeting foreign entrepreneur gives you the possibility to widen your perspective and to get also information about the new vision of a young people. Usually the new start up companies and the young entrepreneur have very good and innovative ideas and new vision of making business, which could bring me also new vision for positioning of our company too. My whole experience is in a family owned company and I am running the sales department of it, I have a lot of experience with customers and a lot of tough cases, which could be very useful for an young person and could limit a lot of troubles.
